

Bio

Hi, I'm Ben Pridmore. I've been involved in the world of competitive memory longer than nearly anybody; I've competed in more competitions than nearly anybody; I've won more competitions and more world championships than nearly anybody; I've organised and arbitred more competitions than nearly anybody... all my records come with a 'nearly', but if you put it all together I'm very experienced at this kind of thing.

I also already own a T-shirt with "IAM" written on it.
